

The Global Tea Hut website has a forum, where we can all discuss this month's tea and ask or answer questions, as well as share our experiences. It is a great way to meet some of your brothers and sisters in the hut. Come and join us:

(We are also on Facebook and Twitter now!)

We have a great video series online now. There are many videos about this tradition, tea brewing, the center and Wu De's travels and work. They are all very inspiring to watch. You can visit our Youtube channel via the GTH website or watch the video on the new page at our site. We will be launching regular videos all the time so check back!

There are currently 200 people in Global Tea Hut from all around the world: countries like Spain, Thailand, Russia, Estonia, Australia, New Zealand, America, Canada, USA, the U.K. and Taiwan. Our accountant, Kaiya the Magnificent (and Merciful) says that things are abundant nowadays so we should all live happily everafter, forever and ever! Membership will be limited to 250ish members!

If any of you are interested in seeing these newsletters in full color, you can read them on the Internet at the GTH website, under the link for 'newsletters'. Some of the photography is worth taking a peek at.

You are all welcome to visit our center in Taiwan. All classes, as well as room and board are completely free of charge. We have tons going on. You can read more at:

We may have changed all the shipping to unregistered post due to an inflation in the cost of Taiwanese shipping. What this means is that you won't have to sign for GTH anymore; it will just be left on your door or in your mailbox. This may mean that some get lost, and we can't track them, so you will have to let us know if you don't get your GTH.

Wu De is traveling to Estonia and the Ukraine in mid-October for around three weeks, until early November. There will be workshops, interviews, lectures and ceremonies in Tallinn, Tartu, Southern Estonia and Kiev. For information contact Steve: maadlus@infonet.ee

As you can see we are shifting our GTH services around: changing the format of these newsletters and the printer. (Hopefully you see this as improvement—we do!) We also had to switch envelopes, as the post office doesn't make the old ones anymore (but that means we can draw on the new ones). Please contact us or use the forums and let us know what you think!

Our center here in Miao Li, Tea Sage Hut, has a new kitchen (now with a Vitamix thanks to Mia!). As many of you know, this was a long time coming. The new kitchen is gorgeous, complete with a kitchen god, new cupboards, stone counters, a Kuanyin and much more.
