As you can see, we have a new printer. We are very excited about this! Soon we will have certification establishing that this magazine is printed exclusively on recycled paper and with soy-based inks!

As you are reading this, we are traveling in Anhui on our Fourth Annual Global Tea Hut Trip, which we will have a whole issue about soon. Raise a bowl for us!

If you are serving tea to large groups on a regular basis and would like some promotional tins of Elevation tea to hand out at your gatherings, please contact us about spreading the Global Tea Hut love!

Wu De will be in New York in June, with many workshops in Brooklyn and a few other locations. Check the website for more details and locations: <http://www.globalteahut.org/wudeteachings>

Don't forget, we are broadcasting live videos at the beginning of every month on our Facebook page. This is a great way to connect with us, learn together and ask any and all questions. Check it out!

Our dear brother and sister, and long-term Global Tea Hut members, Herkko and Triin were married recently. Raise a bowl for them in congratulations and in hopes of abundance!

Along with the color-coded labels, we have also changed the glue on the tea tin labels so that from now on you can peel the label off easily without leaving any white sticky stuff and reuse the tins—to take tea out on a picnic, share some tea love with a friend or store your favorite teas for later.

## Center News

Before you visit, check out the Center's website ([www.teasagehut.org](http://www.teasagehut.org)) to read about the schedule, food, what you should bring, etc. Wu De will be traveling a lot in 2017, so check his schedule on the site if you are interested in seeing him while you are here at the Center.

Our dear brother and Global Tea Hut member Nick Dilks passed away recently. We should all honor this beautiful tea spirit. Say some prayers and leave a bowl out for Nick and his family.

We are still open to having one or two more long-term residents at the Tea Sage Hut. We are especially looking for those with experience in photography/videography. If you have these or other skills to contribute and can work out your own visa situation, please send us an email for more details.

We are going to host a ten-day tea course at the Center on tea and Qi Gong, starting on September twelfth.

## April Affirmation

*I enjoy learning.*

*Am I blocking my own learning? Do I listen well? I can choose to learn more. I have the capacity to learn on all levels: body, mind and spirit. I change my body, expand my knowledge and cultivate my spirit towards my potential.*
