

WHO WE ARE

We are a non-profit organization dedicated to promoting, cultivating and expressing an awakening of harmony through tea. We believe that tea wisdom which has no connection to any financial motivation, good or bad, is very necessary in this modern world and therefore strive to build schools, centers and other tea spaces in the true, ancient spirit of tea—leaves, water and wisdom shared without any personal profit. There are several facets of what we do. Below are our main and current projects:

Global Tea Hut

Global Tea Hut is one of our main sources of income, helping to support all of our projects. Members around the world donate money and then tea farmers, merchants or tea lovers donate tea. We connect the two gift-givers. For a minimum donation of twenty dollars a month, members receive a special tea, a newsletter and a gift. All the work involved is voluntary and the tea is donated, keeping expenses to a minimum. We have found that this Global Tea Hut connects tea lovers around the world, and that if you share in the tea with a desire to connect, you will clearly feel the community in the bowl. In joining Global Tea Hut, you can help support all our projects, drink a unique living tea each month, be a part of this community, read about the teas, this tradition and a life of tea and stay connected to our energy and activities here and abroad. The Leaf

Our free, online magazine about tea hasn't had a new issue in over a year, but it will be restarted very soon with an all-new ninth issue. *The Leaf* focuses more on tea information, differentiating it from these more casual/personal GTH newsletters. It is currently electronic only, though we offer free hard copies to the visually impaired. For more information visit: www.the-leaf.org

Tea Sage Hut

This is our current center, located in Miao Li, Taiwan. Each year, we host over one hundred visitors from all around the world. At the Tea Sage Hut, guests come and drink tea, eat vegetarian food and have a bed should they need it. We have weekly tea classes and daily meditation sessions each morning and evening. We also help coordinate travel around Taiwan and put guests in touch with tea farmers, tea and teaware shops and events. All instruction, room and board, and hugs are free. We operate on a donation basis, and guests are free to leave as much or as little as they like for future guests, knowing that their visit was supported by past guests and hoping to pay the experience forward. Light Meets Life

In December, we were donated three acres of gorgeous land in the mountains of Da Hu, Taiwan. The land has a waterfall, sakura trees, cliffs, views and abundant verdure. Light Meets Life will be the name of our future, expanded center. It will be a great place to learn about and drink tea as well as to meditate. We plan to have an ecological, organic tea garden for educational purposes and a communal farm to grow our own food. Our new center will be run on similar principals to that of the Tea Sage Hut, only on a larger scale.
