

A close-up photograph of tea plant branches. The branches are covered with vibrant green, elongated leaves and numerous small, round green buds. Some buds are beginning to open, showing a dark brown color. The background is a soft, out-of-focus green, suggesting a tea plantation. The overall lighting is bright and natural, highlighting the textures of the leaves and buds.

Tea Inspired Poetry

lonely and lost,
And you, you are so far away.
But there are always two bowls
on my table...*
